Consideration. I acknowledge the personal benefits accruing to me (and my child, as applicable) by reason of participation in the above described event and am aware of the activities in which I, or my child, will be involved through said participation.

Release / Indemnification. I hereby, in consideration of such benefits and other good and valuable consideration received, consent to the above listed participation and release absolutely, forever discharge, hold harmless and covenant not to sue SSBCC, their directors, employees, agents, volunteers and affiliates from any and all present or future liability, claims, demands, actions, or rights of action, whether asserted by me or a third party arising out of my (or my child's) participation in event activities (the "Claims"). I agree to indemnify SSBCC for any such Claims brought by me or a third party from any costs associated with defending or litigating such claims, including but not limited to attorney fees, costs and legal expenses.

Assumption of Risk. I am aware of the risks associated with participation in the above event and do hereby voluntarily assume full responsibility for any risk of loss, property damage or personal injury, including death, that may result from participation in event activities, whether caused by SSBCC's negligence or otherwise.

Medical Emergency. In the event of injury or a medical emergency, I understand that the group's leader, not SSBCC, will be responsible for the medical care of all attendees. It will be the group leader's responsibility to assess medical needs, obtain and consent to appropriate medical care, transport persons in need of medical care and contact parents or guardians of minors. I release SSBCC from any and all liability related to medical treatment. In addition, I assume the risk and financial responsibility for any injury resulting from the attendee's participation in all SSBCC events.

SSBCC's guest medical supplement will assist within current/prescribed **limitations** in a similar way to a secondary carrier. If no insurance is provided by the family or the sponsoring church/organization, SSBCC's guest medical supplement will also assist within current/prescribed **limitations**.

Understanding. I represent and acknowledge that I have completely read and understand this document and all its terms, that I have had an ample opportunity to obtain the advice of counsel and that, by signing this document, I understand that I am relinquishing legal rights and remedies that may have otherwise been available to me. I understand that this Waiver and Release shall be construed as broadly and inclusively as is permitted by applicable law and agree that if any portion of this document is held invalid, the remaining shall continue in full force and effect. To the extent the restriction on filing lawsuits is deemed unlawful, I agree to submit any Claims to a Christian conciliation/mediation organization for binding resolution.

Media Consent. I give my consent and permission for the taking of photographs and/or video of me (or my child) during the described event and waive and/or assign any and all rights (including copyright) in such media to SSBCC. SSBCC, as the sole owner of such media, shall have the exclusive right to control and determine the use, display, performance, reproduction and dissemination of any such photographs and/or videos.

CAUTION: READ THIS DOCUMENT CAREFULLY BEFORE SIGNING. THIS IS A GENERAL RELEASE AND INDEMNIFICATION OF CLAIMS.

SSBCC Prescribed Activities Descriptions

The recreation programs at SSBCC strive to offer fun, safe, and challenging activities that engage the whole person--body, mind and soul. The SSBCC program staff are trained and as a team committed to your rewarding experience with safety as their highest priority. SSBCC has done everything possible to mitigate any risks involved in the recreation programs. However there are inherent risks to participation in recreation activities, including but not limited to, initiative games, high and low challenge course, outdoor education, paintball, aquatic activities and team sports. You could experience any of the following - elevated heart and respiratory rates, uncomfortable group dynamics, climbing or descending unpredictable and possibly slick or uneven terrain, crossing narrow wires and logs, jumping, running, climbing/descending steep rock faces, traveling long distances in remote settings, carrying weight on your back and shoulders, unforeseen forces of nature or weather, any of which could result in injury/illness that could result in loss of life, limb, and/or property.

3.1 On property:

- **High and Low Challenge Course** - This activity requires groups to work together accomplishing various tasks both on and off the ground. You will be challenged as a team to communicate, lead and follow, respect individualities and learn that we accomplish more when we work together. You may have to run, jump, climb, hold each others weight, balance for extended periods of time and use your brains to their fullest. SSBCC facilitators lay out a "Challenge by Choice" philosophy for your entire program which essentially empowers groups and individuals to set their own goals and learn at their own pace. The desire is to facilitate a strong, safe and healthy environment conducive to positive learning, seasoned with an ample dose of fun. To do this groups must be sensitive to their physical, spiritual and emotional boundaries. It is in this type of environment that groups are most effective. Learning is realized by doing and we do better together!
- **Trail System** – SSBCC has a trail system that covers many miles of relatively mountainous terrain. These trails can be used by foot and bicycle traffic only. As you traverse several peaks that rest within our 725 acres you should be aware of four things: 1. You are in the woods and could be as far as two miles from road access, 2. You are in someone else's home; i.e....insects (some poisonous), birds, snakes (some poisonous), deer, and many other wild animals who usually like to be left alone, 3. Our trails are maintained but relatively unimproved, in other words we leave natural rocks, roots, trees etc. that could injure, 4. We have unpredictable weather. In light of these things, prior preparation is a must. We recommend maps, water, proper clothing and letting someone know where you are going.

3.2 Off Property:

- **SSBCC Wilderness Programs** - This particular curriculum is intended to offer individuals and groups the opportunity to grow and learn together in a dynamic outdoor setting. The primary purpose of the SSBCC Wilderness Program is two fold--first, to offer in depth and wide ranged wilderness, camp craft and mountain adventure skills, and second, to remove the many distractions this world offers in exchange for life changing commune with God! We hope to offer groups and individuals the opportunity to reflect on their surroundings as they develop the leadership skills needed to expand God's kingdom. You can expect to receive instruction and experience in backpacking, wilderness travel and camp craft, rock climbing and rappelling, river travel and hydrology, natural elements, rudimentary living skills, and various other outdoor "hard" skills. You will not only be living but exerting and stretching yourself in wilderness settings which are inherently unpredictable. Rocks, trees, steep terrain, weather, other people, and the like, all put you at risk for unforeseen injury or loss.

3.3 Paintball:

- **Paintball** is another exciting and challenging team building program offered by SSBCC. All participants are outfitted with a mandatory protective face shield during play. Long pants, shirts and gloves are recommended but not required. Depending on program goals, you can expect to be facilitated through various exercises and scenarios that require your group to work quickly and efficiently to accomplish certain tasks. There is certainly a militaristic overtone that frames this particular activity but we encourage teams to work as a whole, discouraging "lone wolf" operations. You will be running, jumping, sliding, ducking and hiding in and on mountainous terrain that will be muddy, rocky, uneven, and possibly dangerous. You will also be carrying a paintball marker that uses compressed gas to propel small, lightweight plastic paint filled pellets towards your opponent. Yes, being hit by just such a paintball can be painful. However it is just painful enough to make you not want to get hit, but not so painful as to keep you from coming back for more round after round. It is just about the ideal degree of consequence to keep people both engaged and working together towards victory!

3.4 Waterfront:

- This activity includes all on property water based activities; i.e. ... pool, aqua park, pedal boats, swimming etc. All SSBCC-sponsored aquatic activities will be supervised by trained lifeguards. You will be swimming, diving, wading, and paddling in open water. You will also be running, climbing and jumping on the SSBCC Aqua Park, etc. Due to the inherent risks involved with water activities, including possible drowning, SSBCC may ask that all participants use a lifejacket. You will also be exposed to all the natural elements inherent to outdoor environments.
